Newsletter 29 (July 2006)

Welcome..

Its apparently summer time and that always reduces class attendance levels.. no change this year. We decided to close a few clubs over the summer due to expected low attendance but have kept open the better supported clubs and continue to conduct lessons.

Discussion Group:

Membership has risen by 4 to 28. It would be helpful if all members joined the group so that we can streamline our communications. We had 92 notes posted in the group in July beating the March record of 63.

To join you can register at <http://sports.groups.yahoo.com/group/shingitai>.

Alternatively visit the website on www.mmaconsultancy.com/Karate and click on the Yahoo Group link.
