Newsletter 34 (December 2006)

Welcome..

Christmas is now over and we are into 2007.. Lets hope it brings good health and happiness to all.

I would like to say a big thank you to all those students who bought me gifts and cards, it is really heart warming to receive them. Big thank you!

For the year coming, we plan to continue our growth at a manageable level and hopefully close the year with around 200 registered students.

The adult syllabus will be revised to spread the skill requirements over the grades better and a review of the juniors syllabus will also be conducted so please do check the folder at the club or the website syllabus lists.

The kenjutsu training is being moved to a Saturday from February 2007 and will be conducted fortnightly for 2 hours. We have documented a lot of the syllabus for this art and will have it completed in the next couple of months. Club grades will then be awarded to all students who regularly train in this art.

Holmesdale Club:

We have started the classed in Karate and self defence at this college and the first lesson went very well. We will be conducting a 10 week trial to see how students benefit from this training and may develop something more long term later on.
